There will be an optimum time tested section in the course, for safety and your time will contribute to your overall result. Pairs optimum time will be taken from when the first horse enters the section and the second horse completes the section. Three refusals at any one fence or 5 refusals over the whole course will both result in elimination. All riders who sustain a fall are eliminated. In the case of elimination you may be asked to retire. Please follow the instructions of our officials.

Course will be available to walk Saturday 7th June from 2pm
